## ***ABOUT US***

*B* is an independent Law Firm founded in 2020 by two Professors of Law at the University with a shared vision of the legal practice: high specialization, competence and quality of work, understanding and knowledge of the Clients' business, flexibility, growth and nurturing of young talents.

We are a sort of “*Atelier of Law*” that seeks tailor made solutions for Clients in the fields of the Environment, Circular Economy, Energy, Safety, Food and Criminal Law as well as Compliance. We have a combined and crosswise approach and therefore we provide 360' assistance in terms of criminal risk management, administrative procedure and Civil Law.

We represent a unique entity in the Italian Environmental, H&S , Criminal and Food law firms.

## MISSION

Our strong international calling is guaranteed by a consolidated network of relationships established with partners of independent law firms from different jurisdictions, which ensure high legal quality and an approach to relations with Clients in line with the style of *B*.

The deep knowledge of the reference markets, the academic prestige of the Attorneys, the speed of reaction to any request for assistance, the professional background and the spirit of belonging that distinguishes us make *B* the perfect legal partner for every needs, both for local, national, european and even international.

In everchanging sectors characterized by complex regulation such as those on Safety-at-Work, **B** combines over twenty years of professional experience with a high scientific profile.

**B** main clients are important chemical-food groups, leading companies in drilling and geo-inspection activities for natural resources, petroleum and lubricant companies dedicated to the refining and distribution of products, world leading groups in the production of generic drugs, companies in production and management of renewable sources, companies specialized in environmental, waste and landfill management services, numerous companies engaged in the production and sale of energy, public bodies and cement plants.

Furthermore, **B** assists Italian and foreign multinational companies operating in the food, chemical-pharmaceutical, defence, oil & gas, energy, banking and real estate sectors as well as other law firms not holding its specialization.

## TEAM

**Matteo Benozzo**

matteo.benozzo@b-hse.law

Matteo is Assistant Professor and Tenured Researcher of Law at the University of Macerata, where he teaches Environmental Law. He deepened this subjects for over twenty years, with different publications (books, papers, essays, and articles), participation in conferences and seminars, and he has an outstanding professional experience. He has been Visiting Faculty at the Columbia Law School of New York (NY - USA) in 1999 and at the School of Law of the University of California, Los Angeles (CA - USA) for several years. Matteo has also been Juridical Consultant for the Italian “Senato della Repubblica” since 2006, in particular for the IX and the XIII.

Matteo has specific knowledge and expertise on waste management, remediation of polluted sites, environmental damage, and other issues of Environmental Law, including town and country planning acts and regulations on energy production and circulation.

Matteo has organized and participated in various audits to verify the "environmental risk" and due diligence for the purchase of share packages or controlling stakes in companies, as well as in judgments for the environmental damage, also in public services.
